DEMONS HOME GAME

THE DEMONS

IN THE NET

AN OPEN INVITATION . . .

Less than three minutes' walk away, Soccer followers and visitors to the Gabbie Stadium can find our Licensed Club, which is open to any person over the age of 18 years on match days or any other day they may be visiting our district.

In our Club you don't feel like a stranger as the Club still carries the friendly atmosphere, which rightly should belong to a Club, but is now so noticeably missing in the much larger Clubs all around and in the Metropolitan area. In the Club you are still able to make acquaintances and have a friendly chat after the game about Soccer or any other sport in which you may be interested . . . It is a Club where you feel at home and besides a social drink can obtain a delightful meal or snack, to say the least a bit of a gamble if you so desire, knowing that your money invested in the poker machines will be for the benefit of Soccer.

As such, the Management, Directors, Staff and Members extend an open invitation and welcome you to their licensed premises and hope that you sincerely will enjoy your visit.

OUR VISITORS TODAY

We welcome our visitors today, Adelaide City. Adelaide City's famous black & white stripes have graced the National Soccer league since 1977, the league's first year.

"Juventus" is the club's nickname so it is not hard to work out how the club started.

Stability in coaching and playing staff has been their hallmark. Their coach Zoran Matic was a long time player before moving into coaching. Who amongst the soccer enthusiasts will forget their stirring victory, at the newly opened Parramatta Stadium, in the National league Grand Final of 1985. The favourites were Sydney Olympic. The stadium was filled with hoardes of Olympic supporters but Adelaide City "Came, Saw & Conquered" to the tune of 3-1.

In the 1988 season Adelaide City finished in sixth position in the West End National Soccer League.

We are honoured to have Adelaide City as our first opponents on our return to the West End National Soccer League and promise them a warm welcome.
